SECKET

OFFICE OF SECURITY

ANNUAL RECORD OF

FULL FIELD INVESTIGATIONS RECEIVED

CHART #5

This chart shows the total number of cases received and assigned to the Office of Security for full field investigations. 25X1A13c They consist of those overt and semi-covert cases and covert cases requiring full field investigations as described in the explanations of Charts #1 and #4.

Due to incomplete records, the number of covert cases requiring full field investigations are not available for the year 1958. Commencing with 1959, the chart reflects all full field investigations, including covert cases.
